Comments:

a. The above report, [redacted] confirms the transfer of Soviet units from the CRIOVA-ORADINA-ORADAL area (permanent quartering area of the 2d Gds Mecz Div ?) to the FILIBOARA-ARAD area about mid-August 1949.

b. The report also indicates:

(1) that some of the Soviet units concentrated in the Banat proceeded to Hungarian territory, as was assumed from reports emanating from southeastern Hungary.

(2) that one Soviet Division was expected to arrive in AGBA JULIA. It is not considered completely improbable that Soviet units have been transferred to the Banat, not only from Little Wallachia but also from other areas (19th Tank Div or 25th Gds Mecz Div).
